

# 2022 CRESTWOOD MEMBERSHIP PROGRAM

**What better way to promote our Club than through word of mouth from current members?** Promoting and advertising our club is at its best through us. The Board of Directors has approved a plan to give our current members the tools to promote the Club. **Recruit a new member, and enjoy a credit to your Club bill.** As an additional incentive, the new member will receive the same credits and an initiation fee waiver with a 24 month agreement.

## HERE IS HOW IT WORKS FOR MEMBERS:

- All members will have the opportunity to enjoy a **credit** to their **Club** account. All you need to do is get a prospective member to join and sign their application as a sponsor.
- A current **Social Member** may sponsor themselves to **Golf Membership** status. By sponsoring themselves to Golf status, they will enjoy the applicable 2022 Program monthly credit for **24** months!
- Start a **Legacy** membership for your children who are now **25 years of age** and no longer eligible to participate on your membership and receive the monthly credits.
- **Members** who sponsor a new member into the Club will continue to enjoy the monthly credits to their account for 24 months only if the sponsored member remains as a member for the duration of the 24 months.
- **Members** who successfully sponsor a **new Member(s)** during the **2022 Program** will enjoy 24 monthly credits applicable to the membership classification of the new member. Sponsor **more** than one new member and **reduce your club bill** even more. Here are the monthly credits to successful sponsors:
