

Membership Chair Explains 2010 Member Drive

Hey Crestwood Members - Is there someone that you have been trying to recruit to join the club, but just haven't been able to do so? Have you tried and felt like you had them right on the cusp but couldn't close the deal? Have you ever wished for a "tool" at your disposal to assist you with the recruitment of that new member?

If you answered "YES" to any one of these questions, then this years CWCC Membership Drive is designed just for YOU!

As a member of CWCC you have earned a **2010 Recruiting Certificate** that you can give to a new recruit that is good for one Initiation Fee. That's right! One **ENTIRE INITIATION FEE**. This certificate is valid for any membership class at CWCC. If you have someone who you would like to recruit as a new member to Crestwood, head to the club and talk to Todd or Kim and they will give you your certificate. You can then deliver the **FREE INITIATION FEE CERTIFICATE** to the prospective member so they can go to the club and complete the

details. Even better, take them with you to the club and hand them the certificate right there.

If you have already used your certificate for a new member, but have another you would like to recruit, be sure to talk to Todd or Kim so they can find another member to sponsor the new recruit.

With economic times the way they are, we at CWCC realize that recruiting new members is tough. Not only recruiting new members, but retaining the members we already have is vital to the health and growth of our wonderful club. Your new member will be agreeing to a twelve month membership.

You can contact Todd or Kim at the club telephone (231-9697) or Jeremy at jeremy.albright@gmail.com for more information and details. Let's make 2010 our best year yet.

Vice-President & Membership Chairman

EASTER PLANS ANNOUNCED

While it may seem early to discuss Easter Sunday plans, Easter is April 4th this year. As has been tradition for more than fifty years, Crestwood will observe Easter with an elaborate Easter Buffet followed by our Children's Easter Egg Hunt.

This is a popular event so reservations are required and need to be secured for prime times. Tim and staff will plan a fabulous array of Easter delicacies. Seating will be from 11:00 am to

2:00 pm. The Children's Easter Egg Hunt will follow the Buffet with an appearance by the Easter Bunny. Games and fun will be included. This is a great photo opportunity for parents and grandparents.

We will ask for separate reservations from the buffet for your children or grandchildren to participate in these festivities. Staff will want to make sure they have plenty of goodies.

More details and menu will follow in the April Crier and by e-mail.

CWGA WOMEN'S GOLF LEAGUES ANNOUNCE OFFICERS & OPENING DAY

CWGA MORNING LEAGUE: The Crestwood Women's Golf Association Morning League officers for 2010 are President Debbie Hawley, Vice-President Theresa Swink, Treasurer Donna Dobbins and Secretary Elaine Lingor. Regular season will begin on Thursday, April 1 with play following a 9:00 am meeting. President Hawley says, "This is a new year, new season and we've got some changes planned for this year." Please plan to attend our meeting whether you intend to play or not. Some of our discussion may require a vote.

New Members are strongly encouraged to come out and meet other female golfers. We welcome all new lady golfers at any level of play. Whether you are a 2 handicap or a 40, beginner or seasoned or just want to play nine holes, we're out to have a great time when the golf course is available only to women.

For those who belonged to the league last year, the 2010 dues billing for both morning and evening is reflected on your February statement. The fees for either league is \$45 which include GHIN handicap, club championship entry and dues to the Kansas Women's Golf

Association. The fee to participate in both leagues involves an additional \$27. Lifetime members are at a reduced rate. Please contact Peggy Hinde at 231-8348 or at hindend@cox.net to correct any address, email or telephone numbers to be published in the CWGA yearbook. She will also correct that information on the club website so you will remain informed about all club events as well as CWGA.

CWGA EVENING LEAGUE: The evening league officers for 2010 are Co-Presidents, Theresa Swink and Brenda Buckner. Judy Smardo will continue as Secretary-Treasurer. Their regular season will begin on Thursday, April 1 at 6:00 pm also. They, like the morning league, encourage all new lady golfers at any level of play to join them on Thursday evenings for nine hole play. To help in the effort to obtain new members, current league members are encouraged to invite a guest to play.

At press time, a possible pre-gathering night was anticipated. Watch for more information to follow by email. As stated before, please contact Peggy Hinde with any corrections to your information in last years CWGA yearbook.

POST YOUR OWN SCORE FOR HANDICAPS

The Kansas Golf Association and the Kansas Women's Golf Association has set the 2010 handicap season from March 1 through October 31. The first revision will be available on March 19th. Please turn in all scores during this time period, following USGA Golf rules.

Enter your own scores into the computer located in the Golf Shop. We recommend that each group send one person to enter scores for the whole group. Instructions and assistance is available by any of the Golf Shop staff.

Those needing to establish a new handicap at the club should sign-up in the Golf Shop. The annual charge for handicap is \$20.00 per year. Those members already on the system will be billed for 2010 on the March statement. The Crestwood Women's Golf Association members handicap charges are included in their annual dues and won't be charged again.

Official handicaps are required for some Crestwood tournaments and other area events.
